

# Pollard Commencement Speaker

## The Wartburg Trumpet

VOICE OF THE KNIGHTS

Volume 54 Wartburg College, Waverly, Iowa, Saturday, May 20, 1961 Number 30

### 'Unto Thee We Chant Our Praise'

FROM MORTARBOARD BACK to beanie and vice versa is a long trip. Around here the route is through the school behind the sign, Wartburg College. Whether for nine months or thirty-six, time spent here can never

truly be forgotten. Assuming that the familiar saying about school days being the happiest in a person's life is true, Wartburg is truly the "college of our brightest days."

## Regents Will Meet On June 1

Consideration of the program and educational objectives of Wartburg College will be a main portion of Board of Regents business June 1.

According to Pres. C. H. Becker, decisions about financing the proposed science building, approval of faculty promotions and additions, adoption of the budget and reorganization of board structure will also take place.

"WE'VE GOT A full agenda, but much of it is routine," commented Dr. Becker.

Eleven educational objectives formulated by the Curriculum Committee will be submitted to the board for general approval. They will then be given to the faculty for intensive study next fall.

These objectives for the student include development of a desire for learning along with learning techniques, education for critical thinking, understanding of self, knowledge of gracious living and command of communication.

OTHER GOALS are mastery of one study area, knowledge of western and non-western society, education for citizenship,

understanding of the world, cultural appreciation and deepening of spiritual values.

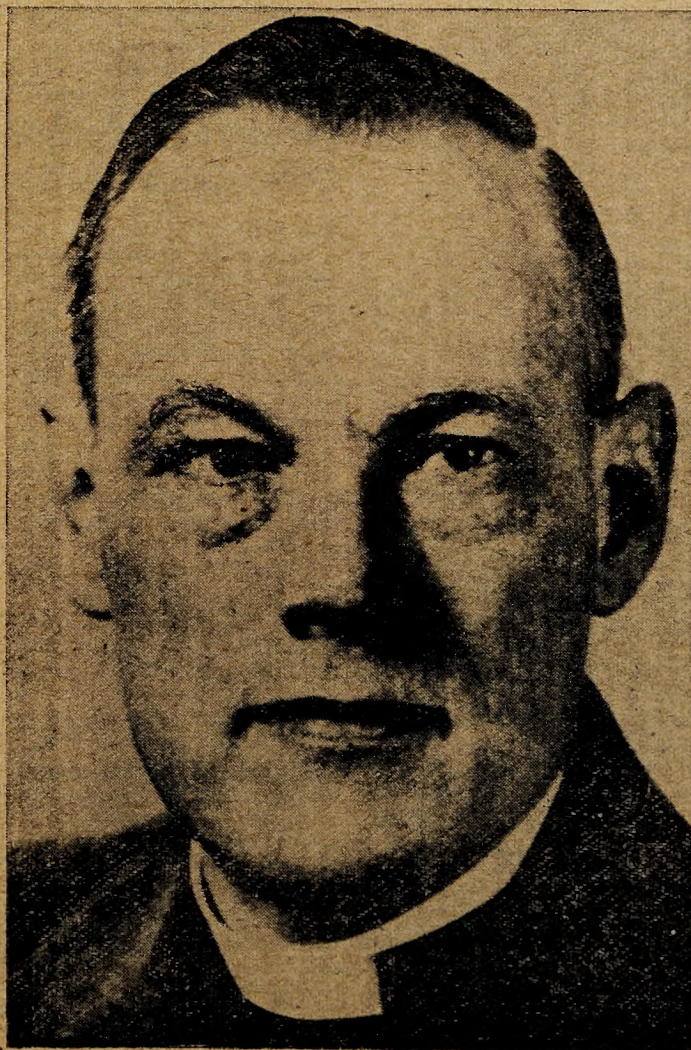

In addition to discussing basic educational objectives, the board will handle more practical matters, such as financing the science building. An architect has been drawing up plans for the proposed structure.

Four faculty promotions will also be up for approval. These are Dr. E. T. Sandberg to full professor of English, the Rev. Walter Tillmanns to full professor of modern languages and C. Robert Larson and Warren Schmidt to associate professors of music.

IN ADDITION, Maynard Anderson will be ranked from instructor to assistant professor of music. A leave of absence for Dr. Karl Schmidt, Christianity Department, will also be acted upon. New faculty appointments will be confirmed. Within the board itself, a new slate of officers and executive committee will be elected. Dr. Walter Yoecks, Waverly, is present chairman.

Two new members, Mrs. M. G. Christensen, Cedar Falls,

and Dean Winkjer, Williston, N. D., will join the board at this meeting. The Rev. A. C. Schumacher, Madison, Wis., who will fill the unexpired term of the Rev. Erwin Schlachtenhaufen of Des Moines, who resigned, will also join the board.

Dr. William G. Pollard

## Exercises Slated June 2; Baccalaureate Is May 28

Dr. William G. Pollard, executive director of the Oak Ridge Institute of Nuclear Studies, Oak Ridge, Tennessee, will address the graduating class of 1961 at commencement exercises June 2.

Speaking at baccalaureate exercises at 4 p.m. on May 28 will be Pres. C. H. Becker.

In addition to being director of the institute at Oak Ridge, featured commencement speaker Dr. Pollard is an ordained Episcopal priest. He is therefore an important link between religion and science.

## Justification To Be Topic Of Luncheon

"What Justifies the Christian College in 20th Century America?" or "Gadfly and Lodestar" will be the subject of the Rev. Martin J. Heineken's talk at the Alumni Day luncheon on June 1.

High light of Alumni Day, the luncheon will begin at 12 noon at the Methodist Church. Heineken, featured speaker, is a noted author and instructor in systematic theology at the United Lutheran Church's Philadelphia seminary.

Special guests at the luncheon, the graduating seniors, will be officially inducted into the Wartburg College Alumni Association.

Alumni citations will be presented to the Rev. Bruno Schlachtenhaufen, past president of the Alumni Association, and to Norman D. Fintel, former alumni and public relations director for Wartburg.

The luncheon is an innovation this year, replacing the alumni convocation held in previous years.

Other features of Alumni Day include guided tours of the campus and a coffee in the Student Union from 9:30-11 a.m.

Students are invited to the traditional barbecue in the center of the campus, which begins at 5:30 p.m.

Alumni Chapel will be held at 7 p.m. in the chapel-auditorium. The senior recital in the Fine Arts building will top off the day.

DR. POLLARD began teaching physics at the University of Tennessee in 1936 and gained his present position at Oak Ridge in 1947.

He was vice-chairman of the Joint Commission on the Peaceful Uses of Atomic Energy of the 1955-58 general convention of the Episcopal Church. In 1950 he received the Distinguished Service Award of the Southern Association of Science and Industry.

Since 1954 he has been Priest Associate in St. Stephan's Church, Oak Ridge.

THE TITLE OF his speech is "Living in an Age of Crisis."

"O Praise the Lord of Heaven" by Ralph Vaughan-Williams will be the anthem sung by the Wartburg Choir. The Wartburg Band will play the traditional "Pomp and Circumstance" for the procession and "War March of the Priests" for the recessional.

Honorary degrees will be received by Dr. Martin J. Heineken, Philadelphia, Pa., and Rev. Elmer A. Nelson, president of the Illinois District of the American Lutheran Church.

AN ACADEMIC procession at 9:30 a.m. will precede the commencement exercises.

Pres. and Mrs. C. H. Becker will be hosts at an invitational luncheon at St. Paul's Parish House at 1:15 p.m.

Activities on May 28, Sunday, include a supper, a concert and a communion service in addition to baccalaureate exercises.

At baccalaureate Dr. Becker will speak on "The Great Commission," and the Rev. William F. Lehmann and the Rev. William F. Goetz will be guest liturgists. The anthem of the Castle Singers will be "All Breathing Life" by J. S. Bach.

AT 5:30 P.M. a buffet supper for candidates for the bachelor's degree will be held in the college cafeteria. Hosts are Pres. and Mrs. C. H. Becker, Dean and Mrs. John O. Chelle-vold and Mr. and Mrs. H. C. Engebrecht.

Rev. Edwin Schick of the Christianity Department of Wartburg will speak at the communion service for graduates, their families and friends, scheduled for 6:30 a.m. at St. Paul's.

## Pops Show Set May 28

The Wartburg Band and Castle Singers will unite to present a spring pops concert Sunday, May 28.

The outdoor concert, which is the first of its kind for Wartburg, will take place on the mall at 7:30 p.m. In case of rain, the chapel-auditorium will be used.

## Wartburgers Elected To Nat'l LSA Offices

Three Wartburg students have been elected to serve on the National Council of the Lutheran Student Association. They are Margaret Judt and Audrae Stoeber, both freshmen, and Eldon De Weerth, sophomore.

## Pres. Becker Schedules Much Travel, To Go To Washington, D.C., Tuesday

Dr. C. H. Becker, Wartburg president, has a lot of travel on the agenda for the next few weeks.

Tuesday he is off for Washington, D. C., where he will confer with representatives of the National Science Foundation, National Council for Accreditation of Teacher Education and American Association of University Women.

He will deliver a commencement address, "Education Begins," at Lake Mills High School Thursday.

On June 13 Dr. Becker travels to Minot, N.D., where he will give two speeches to the Western Dakota Conference of the American Lutheran Church. Both talks will deal with education.

EDITORIAL—

## This Is Wartburg

Wartburg.  
Chimes ringing across campus through soft sunsets . . . Chapel-auditorium spire reaching up to God . . . Student Body singing hymns in convocation . . .  
Wartburg.  
Heartbreak and homesickness in the dormitories . . . Disappearance of privacy for nine months . . . Loud, late parties all around . . .  
Wartburg.  
Gym-ful of Artist Series excitement, spangling the year . . . Drizzle of rain at Homecoming . . . Hushed glow of candles in the cafeteria . . .  
Wartburg.  
Sore, red eyes at test time . . . Morning light streaming into the library . . . Sick knowledge of having flunked a test . . .  
Wartburg.  
Hand-in-hand walks through feathery snow . . . Coffee in the Den with plenty of talk . . . Stiff, cold silences between roommates . . .  
Wartburg.  
"Long shadows from the elms" . . . Fragile spring leaves falling down branches . . . Brown leaf stains on side-walks . . .  
Wartburg.  
Pig in women's dormitory . . . Playboy flag on top of Old Main . . . Freshmen in fishpond . . .  
Wartburg.  
Slouchy television watching in the union . . . Thirty hours of work weekly sandwiched between classes . . . Eating pizza in Cedar Falls . . .  
Wartburg.  
Work, eat, play, sleep . . . Laughter piled on tears piled on laughter . . .  
Wartburg.  
Life.  
(If this sounds familiar, it's because it is a reasonable facsimile of the first editorial printed this year. The moral of the story is students may come and students may go, but Wartburg goes on forever.)

In just 12 agonizing days we can trade tests for television, profs for people and frustration for freedom.

## Peek At The Week

**Saturday, May 20**  
7:30 p.m. — All School Dance, Little Theater  
Mission Fellowship Picnic

## HARKING TO THE HEBREWS

# Jubilee Year Ends Tomorrow

By Phil Borleske

One of the jubilant occasions of the American Lutheran Church will draw to a close tomorrow morning with an international thanksgiving offering.

This will conclude a year-long celebration called Jubilee Year — which was initiated 12 months ago on Pentecost Sunday, and extends through tomorrow.

Jubilee Year is the product of integrated study and planning which was carried on coincidental to the merger of the three church bodies now included in the American Lutheran Church.

THE PURPOSE of Jubilee Year has been to acknowledge that the merger of the three synods in ALC was possible only through God's favor and assistance, and to fulfill a desire on the part of the Church to make the opening phases of the merger an occasion of commitment to the Christian way of life and the expansion of God's earthly kingdom.

The concept of a year of jubilation is derived from the Old Testament experiences of the Hebrew nation. In the book of Leviticus (25:8-17), Moses was instructed by God

Borleske

on Mount Sinai to ordain a Year of Jubilee every 50th year.

It was a season of joy and thanksgiving, a time when everything literally stood still in the name of God.

The Year of Jubilee of the American Lutheran Church emphasizes joy and thanksgiving, love and respect of God and fellow men. But unlike the Old Testament idea, our Year of Jubilee does not include the same practical elements.

Definitely, the past year has not been one in which the whole program of the Church has marked time while members blew trumpets and clashed symbols. Just the opposite!

A NUMBER OF programs — many of which are newcomers to the otherwise more conservative Lutheran bodies involved in this particular merger—were instituted and now continue to function.

At the establishment of the Year of Jubilee, a two million dollar goal was decided upon as the final physical act to indicate the sincere joy and thanks which the Church extends to God for His illimitable blessings.

The proposed two million dollar sum would be used by the American Lutheran Church not as something to add guilt and glory to the Church, but to help it to move in a more progressive direction towards reaching man in everyday life.

The Ethiopian mission field, which has been the site of mission activities by Christianity for centuries (going back to at least the days of Philip and his conversation with the Ethiopian eunuch), is definitely a critical area for the Church's foreign missions.

In the light of current attacks by Africans against anything extra-African (including the Christian Church), a Gospel stronghold in Ethiopia, financed by the Jubilee fund, will not only confront more Ethiopians with Christ, but may arouse extended interest by neighboring African nations.

CHURCH MISSION fields frequently are more capable ambassadors of freedom and goodwill than even the meth-

ods of our federal government, as the United States learned during World War II in the New Guinea area.

In Thousand Oaks, Calif., completion of plans and a sound financial program will open the facilities of a new Lutheran institution, California Lutheran College, for Lutheran students.

Funds from the Jubilee thankoffering will partially cover the more pressing costs, which are overwhelming, as the Church is now discovering, but which are needed to insure proper financing of the school.

In addition, \$100,000 has been earmarked for a scholarship program, to instill interest on the part of young men and women for work in church charities.

For example, the Children's Home in Waverly is looking forward to opening a family setting in which about six boys would live in a private house as a family. However, until a married couple can be trained for this setting, this proposal is impossible.

Tomorrow morning, during the offertory at the 9 and 10:15 a.m. services, as well as in all other ALC congregations, Wartburg students will have the opportunity and privilege of contributing to an excitingly progressive evangelism effort of Gospel-spreading.

## Worship Tomorrow

### Campus Church

Services: 9 and 10:15 a.m. (communion)

Speaker: The Rev. Herman Diers

Topic: "The Spirit of the Lord Filleth the Earth"

St. Paul's (ALC)

Services: 8, 9:15 and 10:45 a.m.

Speaker: Dr. C. H. Becker

St. John's (Missouri)

Service: 10:30 a.m.

Speaker: The Rev. Harold Roschke

Topic: "The Holy Ghost Builds the Church"

## Knights 'n' Daze

Briner

### RECESSIONAL

#### BY ONE WHO IS RECEDING

Listen, my children, and you shall hear  
Of an untried columnist's maiden year.  
'Knights 'n' Daze' was the name we chose,  
(For want of a better, I suppose),  
But it turned out mostly daze, I fear.

From out Old Main we chased away  
The shadows black, the faces grey.  
"Our committee did the job," we said,  
But those who know just shook their head  
And said, "They'd have done it, anyway."

And Norman Erbe took his place  
Amongst th' immortals of the race.  
Upon the fence he proudly sat,  
Opposing this, opposing that,  
Exposing only half his face.

At New Year's my resolves were rife  
With ways and means to change my life.  
"Eat less, lose weight, think big, stand tall,  
And stay away from women all!"  
And now I've married a fat man's wife.

Ideas now and then were few,  
But every week the Trumpet blew;  
And, when at last the ratings came,  
Linda appraised my part in the same.  
Quoth she: "We made it in spite of you!"

The pub house, poor old pile of wood,  
Is falling down (as well it should).  
My job is done, and here I sit,  
Long on wind and short on wit.  
Do it again? You bet I would!

## Foreign Students Offer Corps Aid

Dear Editor:

We believe that with competent, dedicated young people, the Peace Corps would be a vital group to counter the Communist infiltrations, especially in those underdeveloped countries of Asia, Africa and South America.

We therefore offer to make our services available to those persons interested in Peace Corps work in the Philippines or Kenya.

We will give whatever information that is necessary for a future Peace Corps member's adjustment in a new environment. We may even teach those interested some common expressions of our native tongues.

We hope the able, young people of the U.S. in general and Wartburg College in particular will take advantage of serving their country and mankind.

"Ask not what your country can do for you — ask what you can do for your country."

Sincerely,

Victor F. Lachica,  
Philippines  
Ernest O. Abajah,  
Kenya

'OH, GIVE ME SOMETHING SENTIMENTAL'

# Roving Reporter Reaps Reasons, Regrets

By Grace Jahn

"Do it," the editor yelled. "Yes, ma'am," I saluted as I backed out of the pub house door.

What a crazy assignment. A feature on the people leaving Wartburg. I was sure that all I'd get was a lot of sentimentalism. Oh, well, anything for a friend, roommate and editor.

Where to start was my immediate problem. The Student Union is probably full of people eagerly waiting to tell a roving reporter their impressions at the aspect of leaving Wartburg College.

A likely young man immediately caught my eye. He was perched on a sofa waiting to be interviewed.

"Hey, Larry Wick, you're just the person I've been looking for. What do you think about leaving Wartburg now that you're graduating?"

"Me? I'm looking forward to having my own income and being independent, but . . ."

"The party's over?"

"YEP, THE PARTY'S over. No, there must be something here that I like or I wouldn't have stayed for four years. I hate to give that same old friendly campus bit."

Friendly campus? Ah, yes, sentimentalism.

Larry continued. "My friends have been here. I'm looking forward to coming back in 20 years!"

Friends? Coming back? I'm still waiting for June 2!

Let's see. Where do I go from here? Mugridge said something about seeing Mrs. Rose LaBahn, the housemother over at Centennial Hall.

I knocked at her door and, after having been asked in, stated my mission.

"Me? Leaving? Who told you that? No, I'm not leaving; I wouldn't think of it, not yet anyway. I have to stay 25 years; then I'll become an institution. The Trumpet will know when I leave."

Beating a hasty retreat, I contemplated leaving the Trumpet staff. What an assignment. Well, on to more sentimentalism.

THE LIBRARY, always being a good place to find studios, energetic and unsuspecting interviewees, was my next target.

I sneaked up on ex-student body secretary Karen Bargman. At first she backed away, thinking I was a solicitor for the senior class project.

I reassured her and asked my question.

"How do you feel about leaving Wartburg?" I whispered.

"You'll have to give me a few minutes to think about it," she whispered back.

Exactly two minutes later she handed me a card.

"Right now I'm quite anxious to leave. I guess all the good we've gained from the college has not yet been realized."

Just as I had suspected, more sentimentalism.

The quiet was killing me, and a class was coming up, so I fought my way over to the chapel-auditorium through the rain.

"Don't find any of them sen-

"I'll miss coaching." Athletic Director Bundgaard

timental about leaving Iowa weather," I muttered to myself.

KERMIT URBAIN was lounging comfortably in a padded auditorium seat, waiting for class to begin. When I asked him what he thought about leaving Wartburg, he laughed.

"Actually, I've only been here two years. Academically, it's great. I'll miss the general atmosphere, I really like the college."

Connie Wiechers was sitting across the room.

"There's always a little nostalgia, but I'm looking forward to the future."

And I know why, I thought, as I noticed the diamond on her left hand.

Bells rang and I was on to my next class. I thought I'd try another technique. No notebook this time. That always throws people.

"Andrea Richardson, what do you think about leaving Wartburg?"

"It really breaks me up."

I was right. When people don't know they're being interviewed, they give the most surprising answers to questions.

Andy had more to say. "I really don't realize yet — What are you doing?"

I had whipped out my notebook.

"The Party's over." Senior Larry Wick

"You caught me off guard!"

LET'S SEE WHO else is leaving. In my preoccupation with seniors, I forgot the faculty. Dr. Ax Bundgaard will have a few reflections.

It was still raining as I trudged through the mud to the gym.

"You can't leave a place where you've been for 13 years without some feelings of regret, but these are balanced off by looking forward to a new position."

My umbrella was leaving a puddle on the floor.

"I'll miss coaching, but I hope I'm too busy to meditate about that. I wish the best of luck to Wartburg athletics."

I thought I had enough for a good-sized feature. Pure sentimentalism. I walked across campus toward Freeman House. Friendships, academic gains, social gains, the campus, the activities, the fun. Pure sentiment. Humbug. I felt like Scrooge.

I heard a noise. Someone was humming "Long Shadows from the Elms." That's funny, there's nobody around but me.

It couldn't be. Me? Sentimental? Never . . .

"Tall trees the campus o'er Keep Wartburg loyalties And guide us always."

## Two Receive Distinction, Given Honorary Degrees

Wartburg Pres. C. H. Becker and Dr. Gerhard Ottersberg, History Department, will receive honorary degrees soon.

Dr. Ottersberg will receive an honorary doctor of divinity degree from Wartburg Seminary, Dubuque, on May 24.

He will receive his degree on the 40th anniversary of his graduation from the seminary.

Dr. Becker will be awarded an honorary doctor of laws degree by Colorado State University, Fort Collins, June 10.

Dr. Becker, who earned a graduate degree at Colorado State, also taught there.

"It's a bit unusual for a liberal arts man to receive an honorary degree from a state school," he commented. "Usually they don't give degrees outside the fold."

Dr. Becker will attend an alumni meeting there June 9. This is the second honorary degree he has received.

## Campus Romance Blossoms As Six Become Engaged

Three Wartburg men recently turned their fancies to what young men think of in spring, and as a result three coeds have diamond rings.

Seniors Tom Maik, Omro, Wis., and Linda Mugridge, Waupun, Wis., became engaged last Saturday. They plan to marry in August, 1962.

Junior Dwayne Maurer, Dubuque, also gave sophomore Barbara Lackstrom, Fremont, Calif., a diamond Saturday. Wedding plans are indefinite.

Wedding plans are indefinite for junior Dan Basinger, Prescott, Ariz., and freshman Carol Hilgemann, Colfax, Ill.

## Honors Day Program, Schick To Head Convo

An honors and a worship convocation are scheduled for next week.

Tuesday's convo will be devoted to the presentation of scholarship, athletic and department awards, while on Thursday worship will be observed with the Rev. Edwin Schick speaking on the topic "What Is Man?"

## Movie Plan Is Approved

A system of season patronage for campus movies will be incorporated during the first semester next year.

This program, recommended by the Campus Movie Committee, was passed by the Senate last Monday evening.

THE SYSTEM will sell semester tickets valued at \$1.80 for \$1.50 apiece. This ticket will entitle a student to view six movies out of a possible eight choices. Only one person will be admitted per ticket.

The system will allow the committee to obtain better movies and equipment, to begin a small program of foreign films and will make ticket sales more convenient.

A FALL leadership retreat on Sept. 10, the Saturday before school opens, was also discussed at the Senate meeting. Before any definite plans are made, however, organization presidents will be contacted to see how many could attend the retreat.

Since the ALC Church School Conference will be held at Wartburg next year, junior Art Baker was appointed as coordinator of this event. The conference this year was held at Concordia College, Moorhead, Minn.

## Fortress Coming

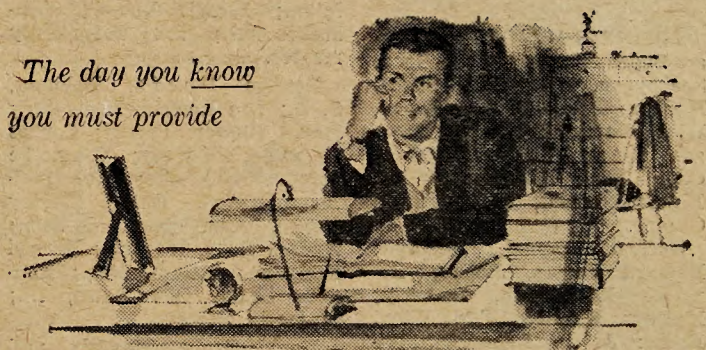

"Next week sometime," said co-editor Linda Lott about the deliveries of the Fortress, college yearbook.

According to Miss Lott, the pages went to the bindery the middle of last week. She indicated that the first distribution of the 1961 Fortress might be after convo next Thursday, unless the books arrive earlier in the week.

"Me? Leaving?" Housemother LaBahn

The day you know you must provide

Suddenly, the problem of your future security seems to shrink . . .

When you remember, as a Lutheran you can turn to our Brotherhood Provider Plan

This is especially important when you think of the family responsibilities in your future. It's reassuring to own Brotherhood Provider now . . . against the day when you know you must provide. Look at these big advantages:

- \$10,000 of permanent, dividend-paying life insurance.
- If you retire at 65, you can get \$13,000 in cash—a return of \$1.83 for each dollar invested.\*

• If you die at 65, your beneficiary gets \$16,760—your total investment is only \$7,097.\*

• Lutheran Brotherhood pays all premiums if you are totally disabled before 60.

All this and more for an investment of just \$161.30 a year . . . about 44¢ a day. You pay more than this for lunch.

Right now, think about your future . . . the future of those who will depend on you. Call your Lutheran Brotherhood campus representative and join the thousands of Lutherans who enjoy security and peace of mind in the bond of Lutheran Brotherhood.

\*Based on age 21 and on current dividend rate, which is not guaranteed.

## Wartburg Hall To Be Upperclass Home As Women's Housing Gets New Look

Sixty-six senior and 53 junior coeds will live in Wartburg Hall next year, according to Dean of Women Florence Hertlein.

Some seniors will live off-campus at Freeman Residence and Gamma House.

Vollmer and Centennial will host 134 sophomores and the incoming freshmen.

Dean Hertlein said that a new counselor plan will be tried next year. Counselors, who must be juniors or seniors, will replace proctors.

# Degrees To Be Conferred To 154 At Graduation

Degrees and diplomas will be presented to 154 Wartburg students on June 2 in the chapel-auditorium.

Returning for the ceremony will be eight former students who completed their education at Wartburg in January. Students who have earned their Bachelor of Arts degree are Lloyd Brandt, Waverly; Derald L. Gourley, Corwith; and Gary Kruse, Allison, in business administration and economics.

Wayne Dohrmann, Latimer, majored in chemistry; Esther Joens, Waverly, in English and German; Catherine Carr Rebelein, Minneapolis, Minn., in Christianity; Harlan Roznos, Slater, in biology and general science; and Deanna Stob, Raymond, Minn., in social work.

Those who will complete their work at Wartburg in June and will receive their Bachelor of Science in Education Degree are Kathryn Arns, Nashua; Karen Bargman, Hector, Minn.; Carol Boyken, Woden; Margaret Cosner, Parkersburg.

Eunice Keller, Doyra, Minn.; Carolyn Kellogg, Clear Lake; Jeanne Kriesel, Owatonna, Minn.; Rachel Lamker, Monona; Jacquelyn Lindau, Lake Mills, Wis.; Alberta Pimlott, Nashua; La Vonda Waddell, Los Angeles, Cal.

Those receiving their Bachelor of Music Education Degree will be Jane Becker, Oak Lawn, Ill.; Joyce Kramer, Appleton; Robert Pannkuk, Garnavillo; Melvin Schultz, McLaughlin, S. D.; and Marian Stubenvoll, Gillett, Wis.

Bachelor of Arts Degree in social work will go to Paul Ahrens, Wyoming; Harvey Feustel, Aberdeen, S. D.; Joan Pirner, Appleton, Wis.; and Janice Weltzien, Arcadia, Wis. Darrol Bauer, Waverly; DuWayne Carnes, Northwood; and Roger Heins, Clara City, Minn., will receive their B.A. in physics.

**BUSINESS MAJORS** are Robert Beard, Waverly; Dale Beck, Sheboygan, Wis.; Gary Bruns, Monona; Bruce Buslaff, Ripon, Wis.; Larry Collmann, Manson; Richard Dellabella, Cuba City, Wis.; Wayne Dreier, Preston, Minn.; Jim Graven, Greene.

Gordon Happel, Readlyn; Richard James, Boone; Romaine Kallenbach, Waverly; Kathryn Karsten, Fort Riley, Kans.; James Lahmann, Tripoli; Lois Max, Waverly; Darwyn Meyer, Charles City; Duane Nelson, Rantoul, Ill.

John Osbrink, Forest City; Gary Poorman, Waverly; Donald Poppen, Manson; Edwin Scharlau, Independence, Wis.; James Siebrands, Dumont;

David Sieffkes, Charles City; Robert Steigerwaldt, Northbrook, Ill.; Gayle Turner, Des Moines; Tom Van Wyngarden, Manson; Peter Wellner, Chicago, Ill.; Larry Wick, Rock Falls, Ill.; and Donald Wente, Waverly.

Bruce Bergquist, Oklahoma City, Okla., receives his degree in philosophy and William

Goetz, Dubuque, in philosophy and mathematics.

Other B.A. degrees go to Robert Bipes, Cosmos, Minn.; Richard Jebson, Waverly; David Kaiser, Garnavillo; Fred Klofer, Marysville, Kans.; and Harlan Stutheit, Cook, Neb; in Greek.

English majors are Robert Boettcher, Appleton, Wis.; Thomas Christensen, Cedar Falls; Ellyn Fiegen, Chicago, Ill.; Grace Jahn, Sheboygan, Wis.; Marilyn Lindstrom, Clear Lake; Frederick Mai, Hill City, Kans.

**THOMAS MAIK**, Omro, Wis.; Linda Mugridge, Waupun, Wis.; Robert Rosenberg, Appleton, Wis.; Marilyn Ruesch, Fulda, Minn.; and Craig Sathoff, Titonka.

Jim Boyenga, Cedar Falls; Henry Giesman, Beatrice, Neb.; Roger Hildebrandt, Waverly; David Jensen, Owatonna, Minn.; John Klaudt, Waverly; Marvin Ott, Arlington; Gordon Peters, Hudson; and Kermit Urbain, Walters, Minn., will receive B.A.'s in physical education.

Karl Briner, Waverly, will receive his B.A. in social science. Bruce Brye, Waverly; June Rickhoff, Harvey, Ill.; and Leroy Scharnhorst, Waverly, are mathematics majors.

Those receiving their B.A. degree in psychology are Lowell Butler, Mason City; Marvin Ehnen, Wymore, Neb.; Jack Horner, Madison, Wis.; Arlyn Saathoff, Oketo, Kans.

Ulrich Columbus, Albert Lea, Minn.; William Gutknecht, Jr., Hazen, N. D.; Donald Lehmann, New Richland, Minn.; Fredrick Ohlrogge, Marion, Wis.; and John Wollenzien, Waverly, will receive theirs in sociology.

Donna Davidson, Oak Lawn, Ill.; Evelyn Helms, Waseca, Minn.; Phyllis Ludwig, Oshkosh, Wis.; are Christianity majors.

Reuben Drefs, Delmont, S. D.; Lee Eichele, Lodi, Cal.; David Hunter, Fertile; Corliss Klaassen, Pomeroy; Carole Mayer, Clarksville; Paul Moeller, Dayton, Ohio; Stanley Noyce, Cheboygan, Mich.; Andrea Roys, Waverly; Darrell Schlange, Auburn, Neb.; Kenneth Skala, Oak Lawn, Ill.; major in biology.

David Grube, Waverly, will get his degree in biology and chemistry. Verlyn Frohling, Tripoli; David Piper, Eldora; Robert Scharlau, Arcadia, Wis.; Pete Timmer, Clarksville; Larry Voigts, Greene, major in general science.

MARY HEUER, Bristow, ma-

## Librarians Attend Recent Meetings

Miss Perna Lohn, head librarian, and Miss Elizabeth Martin and Mrs. Margery Gregory, assistant librarians, attended meetings recently.

jors in social studies; William Schroeder, Woonsocket, S. D., in speech; Dennis Thurow, Waverly, in chemistry; James Werth, Markesan, Wis., chemistry and philosophy; Betty Simon, Waverly, and Jo Ann Voss, Clarksville, in home economics; Janet Van Wyngarden, Arlington, and Edward Zaiser, Oshkosh, Wis., in music; and Constance Wiechers, Napoleon, Ohio, in nursing education.

Students who plan to meet the graduation requirements by the end of the summer session and receive a Bachelor of Science in Education are Mildred Bigelow, Ionia; Larry Beckley, Hospers; Ruth Eifert, Waverly; Ruth Haugenbury, Greene; Mary Klaassen, Pomeroy.

Maxine Poppen, Allison; Julie Schlarmann, Monticello; Margaret Standley, Mason City; Kenneth Stumme, Tripoli; and Thelma Thorland, Bode.

Those who will receive Bachelor of Arts Degree are Donald Claggett, Waverly, psychology; Marianna Dirks, Napoleon, Ohio, Christianity; Edward Kramer, Strawberry Point; Eugene Johnston, Jr., Fairbank;

Ronald Neessen, De Witt; John Sternberg, Traer; and Wayne Walter, Chicago, Ill., in business administration and economics.

Robert Hesterberg, Gifford, Ill., philosophy; Marian Hoelz, New Richland, Minn.; Beth Rossing, Minneapolis, Minn.; Eleanor Schiermeyer, Superior,

Neb.; Sandra Sekas, Mequon, Wis.; and Martha Bolkmann, Philo, Ill., in nursing education.

Andrea Richardson, Milroy, Minn., in English; Paul Schaedig, Waverly; Edwin Skay, Mound, Minn., in German; Ronald Schardt, Wichita, Kans., in general science; and Charles Wallin, Waverly, in social work.

## CAMPUS COMEDY

"WELL, I GOT WHAT I CAME TO SCHOOL FOR, AND I GRADUATED, TOO!"

# Why the blue suit with the gold bars?

You're needed... just as your father and grandfather were. It's an obligation that a lot of qualified college men have to meet... that of serving your country, when and where you are needed.

And the Air Force needs college-trained men as officers. This is caused by the rapidly expanding technology that goes with hypersonic air and space flight. Your four years of college have equipped you to handle complex jobs. You have the potential to profit from advanced training... then put it to work.

There are several ways to become an officer.

First there is Air Force ROTC. Another program, relatively new, is Officer Training School. Here the Air Force commissions certain college graduates, both men and women, after three months' training. The navigator training program enables you to win a flying rating and a commission. And, of course, there's the Air Force Academy.

An Air Force officer's starting salary averages out to about what you could expect as a civilian. First there's your base pay. Then add on such things as tax-free rations and quarters allowances, free medical and dental care, retirement provision, perhaps flight pay, and 30 days' vacation per year. It comes to an attractive figure. One thing more. As an officer, you will become eligible for the Air Force Institute of Technology. While on active duty many officers will win graduate degrees at Air Force expense.

Why not contact your local Air Force Recruiter, or write to Officer Career Information, Dept. SC15, Box 7608, Washington 4, D.C. If you want further information about the navigator training or Officer Training School programs,

# Photo Team Of Woodrich-Schroeder Have Well Developed Role On Campus

By Fern Chantland  
"Say cheese, that's it, now hold it."

These are phrases often heard from Bill Schroeder and George Woodrich, Fortress-Trumpet photographers.

Both Schroeder, a pre-theology student from Woonsocket, S. D., and Woodrich, a business major from Melvin, began taking pictures as a hobby and are mainly self taught.

Schroeder was shown how to develop his own pictures in 1956 when he was working in New Guinea. Woodrich learned by working on his high school annual.

Familiar guests at every social and sport function, the two have taken pictures for the campus publications for the last two years. Their reasons for taking pictures at Wartburg are similar.

"It's a pleasure for me to take pictures, and it provides a way of earning money for school," Schroeder said.

Junior George Woodrich likes to take sport pictures, particularly of football, but studio work doesn't appeal to him. It's lucky for him his partner enjoys it, especially when sports queens are the subject.

Each estimates that he puts in 20 to 25 hours of work a week taking pictures and developing them in the darkroom located in the basement of North Hall. Negatives are also kept on file there in case any back pictures are needed.

Both have gripes about their work, of course. Woodrich has found his problem lack of cooperation among students, which hinders his work. Senior

ON THE OTHER end of the camera for a change, campus photographers George Woodrich and Bill Schroeder bend over their darkroom equipment.

Bill Schroeder had a similar view.

"The majority of students," he commented, "feels that the photographer should do all the running and arranging, and then there is little thanks."

Schroeder has been hired privately many times in the last year primarily to take baby and passport pictures. He especially enjoyed his job of covering the horse show which was recently held in Waverly.

The team breaks up next year as Schroeder goes to Dubuque to attend Wartburg Seminary where he hopes to continue taking pictures. Woodrich, however, will be back at Wartburg.

## Speech, Biology Teachers To Join Faculty Next Fall

Two speech instructors and a biology teacher have been added to the faculty during the past week.

JOHN H. NESS will replace Robert Smith, who has accepted a West coast position, in the Speech and English Department next fall.

Ness, who will complete his doctoral work at the University of Minnesota this summer, will teach speech, direct debate and forensic activity and instruct one section of Communication Skills.

In 1959 Ness received his M.A. degree from the University of Minnesota. He received his B.A. degree from St. Olaf College, Northfield, Minn.

NESS HAS taught part-time at the University of Minnesota, St. Paul, in the Rhetoric Department. He also taught speech and assisted with forensic work at St. Olaf in 1959-60.

An experienced actor, John N. Gill, will join the Wartburg faculty next fall as an instructor in speech, drama and English. He will replace Vernon Lestrud as director of dramatics.

GILL RECEIVED his B. A. degree from Yankton College, Yankton, S.D., and his M.A. degree from the University of South Dakota, Vermillion. He has completed course work toward his Ph.D. degree in speech and theater arts at the University of Minnesota.

Presently teaching speech at the University of Minnesota, Gill has taught four years on the high school level and four and one half years on the college level.

Judith J. Krause will join the Wartburg Biology Department next fall as an instructor. She received her B.A. degree from

Ness

Augustana College, Sioux Falls, S.D., in 1959. She will receive her M.A. from Drake University, Des Moines.

## Alumni Association To Soon Begin Drive To Increase Wartburg Faculty Salaries

Wartburg College Alumni Association will soon kick off its 1961 fund campaign, aimed at augmenting salaries of the Wartburg College faculty.

In line with the long-range plan adopted last fall by the Alumni Association to find a focal point for alumni support, the following resolution was passed at the meeting of the Alumni Board of Directors last week:

Whereas the Wartburg College Alumni Association is committed to the support of the total program of Wartburg College, and

Whereas the immediate need for additional increases in faculty salaries has been an expressed concern of alumni as well as the administration, therefore

Be it resolved that a solicitation of contributions to an

Alumni Fund be conducted annually, and be it further resolved that this Alumni Fund support additional increases in faculty salaries until those salaries reach and can be

maintained at an adequate level.

Alumni Director Robert Gremmels said, "We feel this is where we can make our biggest contribution to the college at this time. We also feel that the support of faculty salaries will appeal to the majority of alumni."

"A recent survey revealed that alumni think the Wartburg faculty is outstanding, but that higher salaries ought to be paid," he added.

## 30 Directories To Go On Sale

Approximately thirty student directories will go on sale in the supper line during the last week of school.

According to Alpha Phi Gamma President Grace Jahn, the directories, the only ones remaining from last fall's sale, will be sold for forty cents apiece.

## Campus Gets Face Lifted; Summer Projects Planned

Wartburg campus will greet students next fall with a somewhat different look.

Many projects have been planned for this summer, according to Business Manager H. C. Engelbrecht, who also felt that with no conventions scheduled for the Wartburg campus, work would be able to progress at a steady pace.

The major project of this summer will, of course, be the work on the addition to the women's dorm. Plans now are to have the building under roof by fall.

Grossmann Hall will be converted to gas heating this summer, with a possibility that North Hall and Old Main will receive a similar change.

Old Main and Luther Hall will be remodeled to make room for more office space.

Wartburg grounds will get new sidewalks, paid for by the Student Body Project. Gutters and curbing will be put in on the streets past Luther Hall and the trailer court.

Repairs, painting, and just a general clean-up — the usual summer work — will also be evident.

## Keys, Clothes, Books? Got Everything?

"And for heaven's sake! Be sure to take everything that belongs to you!"

That's the advice given by Dean of Women Florence Hertlein to Wartburgers packing for that last trip home of the 1960-61 school year. Before you leave, however, you have to make the rounds.

First, stop at the dean of students' office and turn in post office keys to get a refund of 50 cents. Also leave your forwarding address. If your plans to return to Wartburg or not to return change during the summer, contact the deans' office.

"If an illness or death occurs in a student's family during the summer," said Dean of Students Earnest Oppermann, "we would deeply appreciate being notified."

Next, turn in time sheets to the treasurer's office by May 22. Miss Eldora Flugga, treasurer, said that students who turn their time sheets in late will be paid on June 5. Checks will be sent to their homes.

The registrar's office is right around the corner, and Miss Mattie Harms, registrar, asks that students who have carbon copies of transcripts return them. You should also notify her if you want your grades sent to a different address other than your home address.

At the Alumni Office, seniors and students who are not returning to Wartburg next fall are asked to leave their address and that of their parents.

This office also wants to know if you were in Wartburg Choir or W-Club and if and when you are getting or got married.

Miss Perna Lohn, head librarian, asks that you return all library books and pay all fines before leaving for home. If you notice books, magazines or other library material in the union, lounge or coat racks, you are requested to bring that in, too.

"We are awfully anxious to get material back," said Miss Lohn. "We are happy to have people use it, but we want the material back so students can use it next year, too."

The library will be open Friday, June 2, after commencement to give you an additional opportunity to comply with these requests.

Mrs. Hertlein reminds you to turn in-room keys to dorm mothers and get back your deposit of 50 cents. She also urges you to leave your rooms neat.

And, if all this activity makes you feel you're going in circles, just remember that old saying — "Run to the roundhouse, Nellie. They'll never corner you there."

## JOINERS' JIVE

Bjonerud

"Early to bed, early to rise" because tomorrow at 6 a.m. is the Hans Sachs May Breakfast. Meet at Old Main to journey to the Cedar River for church, food and fun.

The cost is only 40 cents, so crawl out of that comfortable bed and see what the world looks like in the wee small hours.

Heery's Woods is the site of the Physical Education Club picnic. This will be held on Sunday at 3 p.m.

4 R's is planning its picnic for 5 p.m. at Riverside Park. This will be the last meeting, so attend the festivities and enjoy yourself.

Monday night at 7 p.m. will find the W-Club meeting in 207 Luther Hall for the last time. The word is to bring your dues.

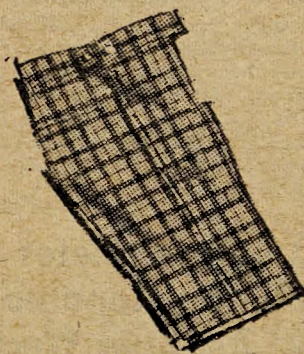

Wednesday is the annual All-Sports Banquet at Camp Ingawana. The event is scheduled for 6:30 p.m. and promises a very enjoyable evening. This will be a good-bye event for Dr. Ax Bundgaard; thanks, Ax, for a fine job!

The freshman class is planning a final fling for the student body to break up the joyous activity of semester exams.

A dance is scheduled for Saturday evening with music by Eddie Skay. Swing out and enjoy yourself.

All for now — study hard, cram late, but PLEASE DON'T RAISE THE CURVES TOO HIGH!

P.S. Good-bye and thanks. Em.

# Skay Leaps 22'4" For Second

Coach Dave Olson has his small track squad at Simpson College in Indianola today for the wind-up of the two-day conference meet.

In one of three finals yesterday Eddie Skay went 22' 4" to finish second in the broad jump. Skay's jump was three inches more than the school record but will not go down as a record because he finished second. Bob Coy of Simpson won the event with a 22' 10 1/2" leap.

Preliminaries took up the rest of the day Friday. John Niemeyer qualified in both hurdles events, and Skay easily made the 100 and 220-yard dash finals.

Freshman Lother Columbus failed to qualify in the 880 despite turning in his best time ever. He ran the distance in 2:01.8 with Fred Lichte only a second behind.

Record-setting pole vaulter Dixon Zander didn't start action until this morning. With a vault of 13' Zander is a favorite to bring home another first.

Two Knights set three new marks last Saturday but to no avail as Wartburg was swamped by a tough Luther track squad 92-39.

Dixon Zander was responsible for two of the marks. He vaulted 13' even to again break his own school mark, and he set a new standard for Wartburg-Luther dual competition.

Ed Skay broke the other record as he broadjumped 22 1/4" to pass his own mark of 21'9" set the week before. Skay, however, fell short of the dual record of 22'6" set by Wayne Dotzenrod of Luther in 1957.

Another Wartburg-Luther record was broken, this one in the javelin as Glenn Denner threw it 198'6" to surpass the old mark of 196'0" set by Perry Brown of Luther in 1956.

Other winners for the Knights were sophomores Jerry Schara and Len Schmidt in the high jump, Skay in the 100 and the 220-yard dashes to become the meet's only triple winner, and John Niemeyer in the 120-yard high hurdles.

## Knight Athletes Will Be Honored At Banquet Wed.

Wartburg sports year will draw to a close Wednesday evening with the All-Sports Banquet.

The banquet, slated to begin at 6:30 p.m., will be held at Camp Ingawanis.

Featured speaker will be Les Duke, Iowa Conference commissioner and former athletic director at Grinnell College.

The banquet will honor all athletic teams. Singled out for particular attention will be the baseball team, assured of at least a tie for the conference championship.

The occasion will also mark the final public farewell for Athletic Director Ax Bundgaard, who will leave in June.

Athletic directors from surrounding schools will be present as guests of the college.

Honors to be presented include the Voecks, Hertel and senior awards. They will go to outstanding senior athletes.

"We expect quite a large crowd, although I don't know exactly how many," commented Duane Schroeder, news director.

All people planning to go are asked to purchase their tickets by Monday. Tickets may be obtained in the business office, the three downtown drug stores and Dale's sport shop.

## CHALK TALK

By Tom Kuckkahn

As another exciting sports year comes to a climactic close, the ol' sports editor has decided to look back upon this year of joy and disappointment and view some of the happenings month by month.

**SEPTEMBER** — The sound of toe meeting pigskin marked the beginning of the football season. The Jomen, defending conference champs, began the season famously by stretching their consecutive conference victory string to 17 only to have it broken by Parsons, the eventual champ.

**OCTOBER** — The Knights kept the conference prestige high by downing Augustana 27-7. Iowa Wesleyan fell victim to the Knights, 6-0, in a successful, but rainy, homecoming game. Waverly-Off-campus captured the IM football crown for the second straight year.

**NOVEMBER** — The completion of the I.C. football season found the Knights finishing third with a 6-2 mark. The season closed out the best won-loss mark ever recorded by any group of Wartburg seniors.

**DECEMBER-JANUARY** — Chuck Wallin and Marv Ott were named to the Iowa Conference's all-conference offensive football team while Don Sowers and Tom Van Wyngarden made the defensive team.

Basketball season got off to a thrilling start as the Axmen won three of their first four starts in overtime. The team, edged out by TC, placed second in the Tall Corn Tournament held during Christmas vacation. Playing excellent ball, the Knights completed the month of January with a 7-1 conference mark.

**FEBRUARY** — Wartburg tied for second in the final conference standings with a 12-4 mark, having been dethroned by Parsons. This month also saw the IM committee initiating a participation award as well as Cotto House fielding an IM basketball team completely outfitted with bright red and white uniforms!

**MARCH** — Wartburg's wrestling team, defending conference champs, also were dethroned but finished a respectable second in the conference meet. John Sternberg was crowned champ in the 123-pound division.

Dave Jensen and Don Hein were named to the I.C. all-conference basketball team. Hein, unable to leave the basketball scene, coached Cotta House to the IM basketball crown amidst the cheers of Wartburg Hall girls.

**APRIL** — Dr. Ax Bundgaard, P.E. Department head, athletic director and head basketball and track coach, resigned his post to accept a position with South Dakota State University.

**MAY** — At the Viking Olympics Ed Skay and Dixon Zander put forth great efforts to tumble the records in the 220-yard dash and pole vault respectively. Zander set another record in the Luther meet as he cleared the bar at 13 feet.

Earnest Oppermann's baseball team assured the school of at least one conference championship this year.

**Success of the Year** — Winning I.C. baseball championship.

**Loss of the Year** — Dr. Ax Bundgaard.

**Acquisition of the Year** — Dave Olson.

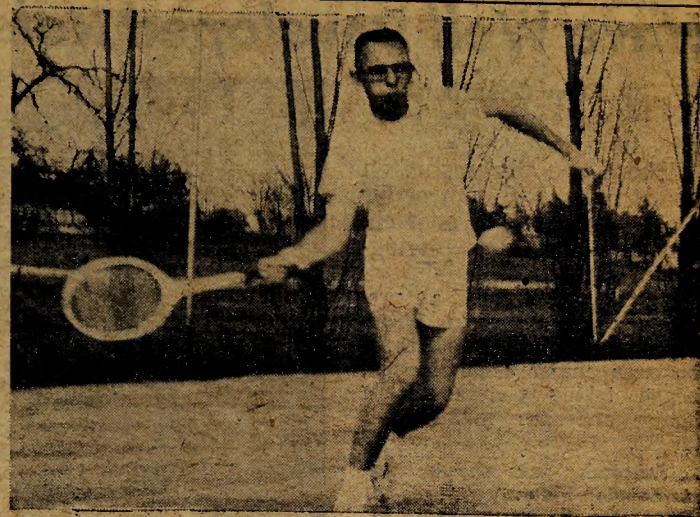

## Golfers Travel To Conference Meet

Wartburg golf squad is at Indianola this weekend for the conference meet.

Five golfers are entered in the meet with the four best scores being counted to determine team standings. The participating Knights are senior John Osbrink, juniors Bob

Mueller and Neil Stuhmer and freshmen Bruce Hein and Gary Wieck.

The squad captured its first victory of the season last Saturday by defeating Buena Vista 11 1/2-1 1/2. Medalist honors were shared by Osbrink of Wartburg and Roger Jaacks of B.V., each posting a 78.

WITH CHEEKS PUFFED out, junior Dave Braunschweig prepares to follow the bouncing ball.

## One Makes Tennis Finals

Wartburg's tennis team took it on the chin yesterday in preliminaries of the conference meet being concluded today at Simpson College.

All but one of the Knights' tennis squad were eliminated in opening action. Only junior Larry Mugridge made it to the consolation finals to be held today. Others on the traveling squad were Dave Shalkhauser, Dave Braunschweig and Harold Schlachtenhaufen.

Wartburg's tennis team won its first match of the year while losing two matches during the past week.

Last Friday at Central, the netmen edged the Redmen 4-3. Larry Mugridge, Dave Braunschweig, and Dave Garrels won singles matches, and Mugridge and Dave Shalkhauser combined to win their doubles match.

Saturday the Knights lost a close one at Simpson 4-3. On Tuesday the Knights lost a match to ISTC 7-0.

# Oppiemen Assure Themselves Of Tie For Crown

## Knights Face UIU Today, Seek Undisputed Throne

By Paul Mardorf  
Today is the day for the Oppiemen. This afternoon at 1:30 the Knights will try to become the first Wartburg baseball team in history to win the Iowa Conference baseball title.

The opponents are the Peacocks of Upper Iowa, who are currently holding down second place with a 10-4 record. The Knights lead with a 12-2 mark. The best the Peacocks can hope for this afternoon is a conference tie if they should win both games.

**TUESDAY AFTERNOON** at Buena Vista the Oppiemen clinched a tie for the conference title by winning the second game of the doubleheader 3-2. They lost the other game by the same score of 3-2.

In the opener Jim Borcharding's three-hit pitching was not enough to bring home a victory. Plagued with five errors, the Knights could not get the winning run across when it counted.

In the second game the Oppiemen combined five hits, BV errors and some excellent pitching and fielding to win 3-2.

**MARV OTT** was credited with the win, but in the fifth inning with the bases loaded, freshman Dave Langrock came in with some fine relief. He got the BV batter to hit a long fly ball to another freshman, Ray Bye, who caught the ball and threw a strike home to get the man coming from third.

Last Saturday the Oppiemen journeyed to Indianola to knock off Simpson twice, 4-1 and 7-2.

**IN THE FIRST** game Jim Borcharding gave up only 4 hits to win his fifth game of the season. Marv Ott, who pitched the second game, helped his fellow hurler with a home run.

In the second game Darrol Bauer, who has not seen much action this season, had a home run with two men on in the last inning to aid the Knights to a 7-2 win.

Next week the Oppiemen close out their season with two single ballgames with ISTC.

The Wartburg Trumpet  
Saturday, May 20, 1961

## IM Softball Into Finals

Cotta moved into the finals of the intramural softball double elimination tournament, beating Off-Campus and Clinton II.

Cotta will meet undefeated, top bracket winner Clinton I and Basement Tuesday at 4 p.m. for the championship.

Thursday Cotta out-dued Clinton II, 11-5. Walks and timely hits spelled defeat for Clinton II. Dennis Krominga won his second game of the week while Art Baker suffered the loss.

On Tuesday Cotta put down a late splurge to eliminate Off-Campus, 6-3. This was the second time Cotta had beaten Off-Campus.

Clinton II advanced to its game with Cotta by trouncing Grossmann III, 23-11. Bob Wachholz and Roy Stutheit hit round-trippers for the winners. Orville McElfresh was the winning pitcher, and Dave Shalkhauser was the loser.

## SIEFKES, BAUER IN DOUBLE PLAY

# Player-Coaches End Careers

By John Stumme  
A valuable link to the success of any baseball team is its baseline coaching staff. In the major leagues first and third base coaches are paid big salaries to "wave on" or "hold up" their players.

During the game these coaches must be aware of the situation, the outs, the runners on base and the count on the batter. They must keep the runner "alive" and relay signals to him and the batter.

Dave Siefkes and Darrol Bauer, baseline coaches and reserve players for the 1961 Iowa Conference champs, fit these "musts" and have contributed a great deal to the success of the Knights.

Little 5' 9" Siefkes usually handles the first-base coaching position while Bauer coaches in the box at third. During home games fans often see Bauer going through numerous signals to tell the runner or hitter what to do and to confuse the opposition.

Only a few of these are actual directions. On the road Siefkes relays the signals since the Wartburg dugout is usually on the first-base side of the field.

As four-year lettermen, Bauer and Siefkes also see a considerable amount of playing. Bauer plays in the outfield and pinch hits. In the 10 official times he has batted this year, he has cracked four hits. One of these was a home run at Simpson.

Siefkes, a left-handed hitter and hurler, has seen only limited mound action this year. He is batting .666 for the season, having collected two hits in three attempts. During his four years Siefkes has won three games without losing.

In his freshman year Bauer, a lefty at the plate, had his best year. He scattered 10 hits in 26 at bats for a sizzling .385 average. This in-

Dave Siefkes

cluded a perfect 4-for-4 day against Upper Iowa.

Today Wartburg plays a double-header against Upper Iowa. Both coaches are optimistic about winning twice and finishing in a flurry.

"After Buena Vista's game, we were a little down because we could have won the title outright there," said Siefkes. "But the car caravan and the pep rally really gave us a boost. We'll go ahead and sweep the doubleheader."

"We'll definitely win two Saturday," Bauer said. "We'll go out like real champs."

Bauer and Siefkes agree that winning the conference title, at least a share of it, was one of their greatest experiences in sports.

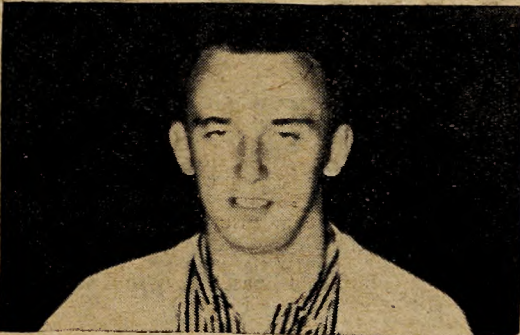

Said Siefkes, "It was one of the most exciting things of my life. To be on a championship team is always a goal, an ideal to shoot at. It makes you feel that after playing ball for four years you have accomplished something."

Bauer is a physics major who plans to go to graduate school or the service as a scientific researcher. Bauer is an active participant in intramurals, playing for the home-townners, Waverly.

He is a member of W-Club and Science Club. Last year he was initiated into Alpha Chi, honorary scholastic society for the upper 10 per cent of the class.

Siefkes, whose future may also include the service, is a native of Charles City. A business major, he is president of Business Student Association. He is also vice president of W-Club. He serves on the North Hall dorm council, an organization he headed last year.

As Siefkes and Bauer take their positions today in their respective coaching boxes, remember that these two coaches have provided an important, but often forgotten, link in the success of Wartburg's championship team.

Darrol Bauer

Intramural track meet will be held Monday, May 22.

Intramurals Chairman Don Ringgenberg said that the three men's dorms, Off-Campus and Waverly would compete against each other.

## Students Select Six Cheerleaders

Cheerleaders for the 1961-1962 school year were elected at the student body meeting Tuesday.

Three of the six chosen are juniors — Diana Daggett, Marilyn Rugroden and Lavonne Rickertsen.

Sophomores Joan Kreiter and Jan Wegenast and freshman Shirley Gratiis complete the squad.

Sophomore Anieta Owen and freshman Kathy Peterson were elected alternates.

## Congratulations On Your Graduation!

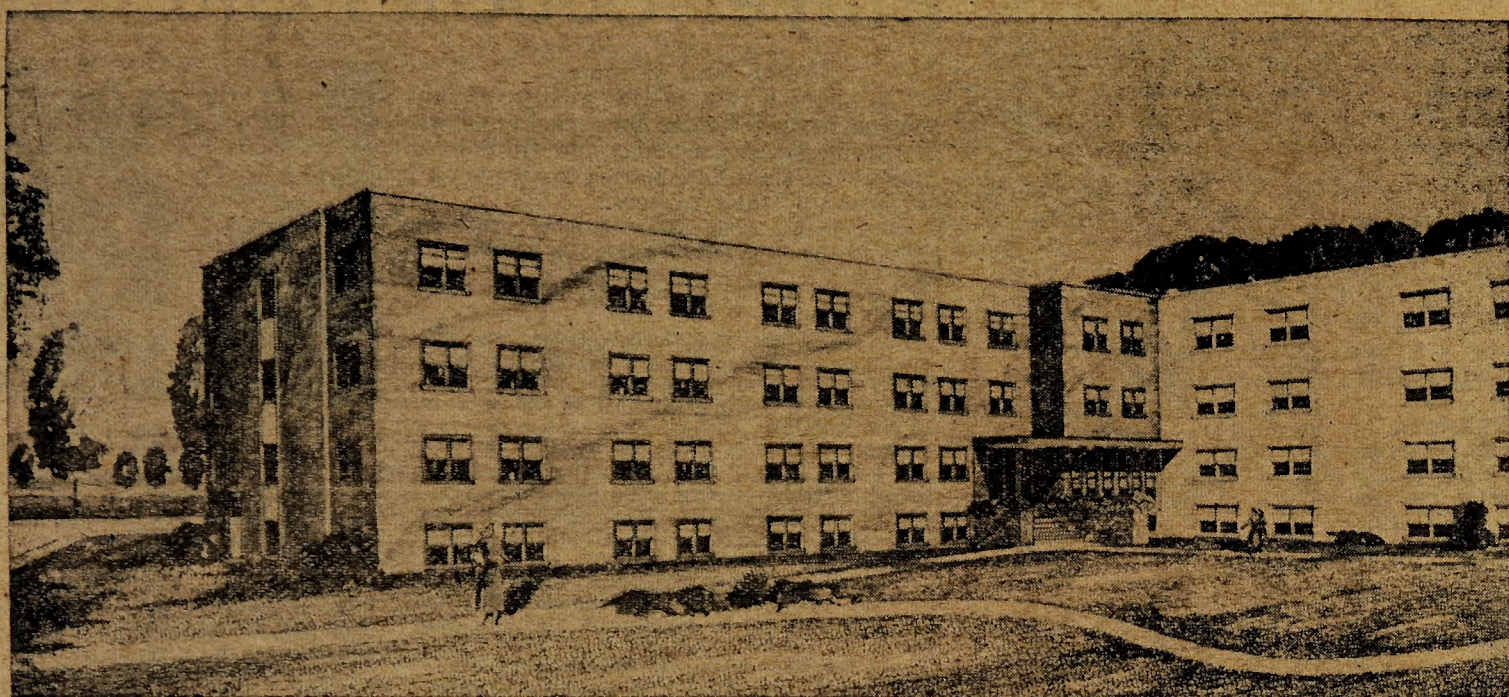

"In rivers, the water that you may touch is the last of what has passed and the first of that which comes: so with time present." This was said by Leonardo da Vinci. You are now at an end and at a beginning. Use your education to gain wisdom, strength and a successful life.
